

Bavarian Musik Werks

Winnipeg's own Bavarian Musik Werks (BMW) will provide an authentic German/Austrian flavor for your event.

The group has been performing for the past 15 years throughout Manitoba, Ontario, North Dakota and Minnesota and has appeared regularly at such venues as the Winnipeg Convention Center Oktoberfest and the Folklorama Alpine Pavilion.

Your event featuring BMW will include many well known traditional polkas and waltzes as well as audience participation numbers such as the traditional toast to Oktoberfest (Ein Prosit) and the Polonaise. The group also performs a wide variety of well known big band, classic rock and R & B favorites.

An evening with BMW will be one your guests will long remember.
